

PET IN GREECE by ezgreece.com

(Friday Dec 01st – Monday Dec 4th 2017)

Introduction of GREECE as an Incentive Destination:

Greece is known for –at least- 3 things: [ancient civilization](#), [amazing landscapes](#) and [high-developed tourism and MICE infrastructure](#).

Really beloved by people, Greece is so rich in culture and beauty that it never seems to be completely explored, no matter how many times you visit it. After all, this is one of the reasons that brought it in the list with the [top 15 tourist destinations worldwide](#). We are proud to state that “[Athens can host any kind of event](#)”!

The diversity in venues in Athens is rich, sophisticated and meet high standards, able to host events from 20 up to 10,000 guests. Your choices can rank from a floating venue, beach location, hip modern, industrial venue up to historical locations that have recently been offered for event charters.

ATHENS: A unique combination of the old and the new, set up against a spectacular Mediterranean landscape; a world famous past; an exciting present: [Ancient and contemporary at the same time](#), [Athens inspires and seduces its visitors](#), leaving its mark in their hearts and minds. Our award winning airport (Athens International Airport) is currently serving 100+ international destinations. There are 30,000 rooms to suit all budgets and 95,000m² of conference space to meet the requirements of the most demanding of events.

Introduction of EY ZHN (EZ Greece DMC) as your local DMC:

Since 1991, “EZ Greece DMC” has been active in designing [Meetings, Incentives, Conferences and Events \(MICE\) in Greece](#). We operate as a DMC, specializing in uniquely organizing your event bundled with venue selection, hospitality services, gastronomy, accommodation, happenings, audio-visual production and branding [all tailored](#) to your objectives and budget. “EZ Greece DMC” was created to [honour Greece](#). Our team recognizes the immense value of this historic terrain. We are trying to introduce the global community to this country and make

it aware of its beauty, its MICE infrastructure and its rich diversity. For us, [designing experiences in Greece](#) is a way of life woven into our daily reality. By combining our MICE expertise with our knowledge of Greece, we reap rewards by witnessing participants’ joy of experiencing our services!

What makes “EZ Greece DMC” different? Our clients have remarked that it is all about the authenticity of the experience and the possibility of delivering the extraordinary in each and every aspect of their time in Greece!
